

"The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field." **Matt. 9:37-38**

She said, "I love God and I want to live for Him!"

Last year Isabella gave her heart to Jesus and from that moment on she has been asking to be baptized. We are so proud of her decision and her desire to live for Him. She loves God so much and wants everyone to know it!

Unreached yet Reachable

The Saramaccan people live in Suriname and French Guiana. They are descendants of escaped slaves

and speak the Saramaccan creole which is a combination of African languages, as well as English and Dutch.

Mostly **unreached with the Gospel**, the Saramaccans have mixed different religions with their ancestral worship over the centuries. **Doors are opening** and there is a small number of Saramaccan who have become christians.

Pray for the Saramaccan people!

- to have dreams and visions of Jesus
- for open doors to effectively share the Gospel
- for the elders of the villages to come to know Jesus

Update: Unrest in Guadeloupe and Martinique

With tensions still high there have been some clashes between protesters and police. However, most people want to move forward with these important discussions without violence. Pray for the violence stop and for the church to shine in this moment.

Praying For More Workers

This new assignment has opened our eyes to the many physical and spiritual needs in this part of the world. Recently, we learned more than **40 million people** live throughout the Caribbean area! **There is definitely a need for more workers!**

Tim and Marketa Southerland work with church planting in the **Dutch Antilles**. They are leaders and friends who have encouraged us in our missions journey for many years. We usually meet with them and other missionary team members every week (on Zoom) to **pray for each other and for more workers**. It was so nice to spend time with them in person last month and we can't wait to see how God will use them to impact the Dutch speaking areas of LAC!

By the way, they are near the finish line with itineration! If you would like to hear their story and **partner with them to reach the Dutch Antilles**, contact them at tfsoutherland@gmail.com.

With exciting days ahead and much to be done we trust **God is calling others** to join us!
PRAY WITH US FOR MORE WORKERS TO ANSWER THE CALL TO REACH THE DUTCH AND FRENCH ANTILLES!

We are so **THANKFUL** for your prayers and support! Let us know how we can pray for you!
