

THE TEMPLES

SERVING IN THE FRENCH ANTILLES

A Strategic Moment

9 because a great door for effective work has opened to me... 1 Corinthians 16:9

Joel recently returned from a strategic meeting with leaders in Guadeloupe. Though we did not know what to expect with this new relationship, God really showed up during his time there. For the first time ever, doors have opened to us to partner together and plant churches in Guadeloupe, St. Martin, St. Barts and French Guiana. We praise God for these open doors! Thank you for your generosity in giving and your faithful prayers that make it possible for us to lead this new work in the French Antilles. **Please read on for an important update as we begin the next phase of this project.**

Moving Into The Next Phase

With this being a region where there have never been AGWM missionaries residing, we had based stateside temporarily, traveling back and forth to build relationships with national churches and explore options for a ministry base.

NOW THE TIME HAS COME for us to set up base in the French Antilles and begin the next phase of this project. From setting up a new ministry base, to establishing a Bible School along with extensive travel throughout the region to coordinate evangelism and church planting, there is a lot of work to be done! With our new base in the region we will be more effective to accomplish what God has asked us to do. As of now, we are **making plans to move in August and need financial help to make this happen!**

SENDING OPPORTUNITY AND PRAYER NEEDS

URGENT - \$25,000 must be raised **by August** to move forward. This will cover flights, moving expenses, visas and ministry start-up on the ground. Please consider anything that you, your church or business can do to **help send us to our mission field!**

Would you **CONNECT US** with **churches, businesses and individuals** who you think may partner with us to reach the French Antilles.

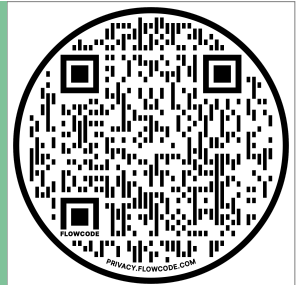

All donations are tax-deductible

Thank you so much for all you have done for this ministry! Without your prayers and support, none of this would be possible.

PRAY FOR US

- For our family during this transition
- For favor to get necessary visas
- For the funds to be able to make this move by mid-August
- For clear direction with schools for the kids
- For open doors of ministry from day one
