

THE TEMPLES

SERVING IN
THE FRENCH ANTILLES

December 2022

A cry for the Islands! ***“For over ten years, we’ve prayed, that God would send missionaries to help us... now he is answering our prayers”.***

This was the response of an elderly woman pouring out her heart to me after I shared that morning. It was a powerful confirmation of the work that God has been leading us to do. They have not had missionaries to encourage or work with them for nearly 30 years. We praise God for answering their prayers!

THANK YOU for Praying, Supporting and Sending!

MINISTRY UPDATE

Thank you for praying as Joel traveled throughout the islands in November.

Great **relationships were formed** with leaders in the French and Dutch Island of Saint Martin. Joel, and Steve Puffpaff, our missionary colleague, shared their testimonies during **powerful times of ministry** and many were encouraged by their visit. **God’s presence was so strong** the whole trip and especially during the worship services. Also, **divine appointments** were made as Joel had key meetings with school officials and people in places of influence in Martinique and Saint Martin.

There is still **groundwork to be done**, however, we are happy with the progress that has been made. One year ago, we had zero connections when we began this assignment and now **doors are opened** throughout the entire area. We give all credit to God and look forward to the next phase of development. We know **God has perfect timing** and we are grateful to be part of the new work taking place throughout this region!

PLEASE HELP US REACH THE FRENCH ANTILLES

Would you consider a **special end of the year offering** to help us continue to preach the Gospel, plant churches and raise up new leaders in the French Antilles?

We could really use help with **cash** and **monthly support**. Our monthly support has been down \$1,800 on average. Special offerings will help offset this and allow us to continue!

All donations are tax-deductible and need to be given online or post marked by December 31, 2022, to count for this year.

Thank you so much for all you have done for this ministry! Without your prayers and support, none of this would be possible.
