

November 2022

The Apostle Paul faced many trials as he dedicated his life to preach the Gospel. Yet, even with all the persecution and wrongs he faced, **he had a gratitude that could not be quenched!** His word's penned even while he was in prison encourage us to this day. "6Do not be anxious about anything, but in every situation, **by prayer and petition, with thanksgiving**, present your requests to God. 7And **the peace of God**, which transcends all understanding, **will guard your hearts and your minds** in Christ Jesus." *Philippians 4:6-7*

Like Paul, know matter what circumstance you face in this season we pray God's peace guard your heart and mind as you overflow with thankfulness for what He has done and what He will do.

We are **SO THANKFUL** that you are on this journey with us and appreciate your prayers and support! May you **HAVE A WONDERFUL THANKSGIVING** spending time with friends and family during this season!

### THE FRENCH ANTILLES in FOCUS

There is a great spiritual need in these Islands! A long history with the Catholic Church, mixed with spiritism/voodoo from the Amerindian and African religions, have kept many people from truly knowing who Jesus is. By God's grace, as we preach the Gospel, plant churches and train leaders, we hope to change this reality.
